

Tutors Needed for Reading!

BrilliantDetroit
creating kid success neighborhoods

We Need Your Help to Get Children on Track to Reading!

Brilliant Detroit is partnering with the Center for Success to host high dosage tutoring for students K-3 at four of our Detroit sites.

Mentors work one-on-one with students, reading books, completing homework, and playing literacy games curated and provided by the Center for Success staff. This program has been shown to effectively increase reading levels by almost 2.5 grades each year!

We hope you can be a part of this transformational program with us! We seek additional tutors to match growing student interest.

Tutoring takes place Monday through Thursday from 4:30-6:30.

This will be a weekly commitment and consistent volunteering is required. We ask that tutors commit to either Monday and Wednesday or Tuesday and Thursday from 4:30 to 5:30 and/or 5:30 to 6:30 pm.

If you can only tutor one day a week, we ask that you come in for both hours that day. Tutors are required to attend an hour-long orientation and pass a background check before being paired up with a child.
